Rydges World Square, Sydney - 02 8268 1895 (3 Nights)

Day 02 - Wednesday 03 February EXPLORING SYDNEY (B, HD)

Today, we take in some of the sights of this great city. First, we make our way to the harbour foreshore and **Mrs Macquarie's Chair**. The chair was carved out of the sandstone by convicts for Governor Lachlan Macquarie's wife. The point provides us with wonderful views of the **Sydney Opera House, Harbour Bridge** and **Fort Denison**. We then drive to **"The Rocks"**, a very historic part of Australia. **"The Rocks"** has been witness to much of Australia's turbulent history since the arrival of Captain Phillip and the First Fleet. It sits on one of the most beautiful shorelines of the world's most beautiful harbour and, restored to its early charm, the area is a hub of culture, history and entertainment. We travel through exclusive Double Bay and Vaucluse before making our way to Watson Bay and the 'Gap' on the southern side of the Sydney Harbour Heads. At Bondi, we stop for our lunch break before returning to our hotel. We have some free time this afternoon to relax before we meet up again this evening - our night will be one to remember as we enjoy dinner cruising on wonderful **Sydney Harbour**. Sydney's most elegant way to dine is afloat, on the **"MV Sydney 2000"** Enjoy the entertainment and dancing, and sip a drink under the stars from the spacious upper deck. Our coach will be waiting at the end of the evening for our transfer back to the hotel.

Day 03 - Thursday 04 February ANZ STADIUM & EDINBURGH MILITARY TATTOO (B,D)

This morning we visit **ANZ Stadium** at Homebush. Since opening in 1999, ANZ Stadium has been the scene of a host of sensational sporting moments. From the spectacular Olympic opening ceremony to Jonny Wilkinson's unforgettable drop goal to win the Rugby World Cup, the Stadium holds a special place in the hearts of sports fans throughout the world. We will see where the battle is done for the Bledisloe Cup and Rugby League Grand Final and see where the big Aussie Rules games are played in Sydney. This privileged inside view of one of the world's finest and most technologically advanced stadiums is an unforgettable experience. Return to Sydney where the rest of the afternoon is free to take a ride on the monorail, some personal sightseeing or retail therapy. Following an early dinner, we ready ourselves for an unforgettable night as we enjoy the internationally acclaimed **Edinburgh Military Tattoo**. Due to overwhelming popular demand, the Edinburgh Military Tattoo has returned to Sydney and the new production is the biggest ever seen in the event's six decade history. The Tattoo, with 1500 performers, **"Celebrating 60 Years of Valour, Mateship and Glory"** will take as its central theme the close relationship between Australian and British Defence Forces who have fought alongside each other in numerous conflicts. The Edinburgh Military Tattoo attracts the world's best massed pipes and drums. For those of us who saw this amazing spectacle in 2005, it is confirmed that the wildly popular Top Secret Drum Corps from Basel in Switzerland will be back with an even more dazzling routine!!! What a wonderful experience and a night to remember!
